**LOGISTICS AND POLICIES**

Kids University provides multiple enrichment classes per hour block. Before each session, you will be asked to select one class per hour block for an Enrichment Pass and as few or as many classes as you would like per hour for By-Class. Each program follows the school district calendar. Participation on No School Days requires additional registration and fees.

Payment Information:

- By Class: Payment is made in full at the time enrollment in each session.
- Enrichment Pass: Payment is automatically deducted on the first of the month for participation in that month's program. Payment will continue to deduct monthly until cancelled or the final payment on June 1.
- Financial assistance is available through the YMCA. Find our financial assistance application online at [ykids.org](http://ykids.org).

Cancellation Policy:

- By Class: Must provide two weeks written notice. Once the session has begun, we will refund the remaining days left in the session. If session has not yet begun, we will refund the total cost. Vendor classes are not refundable or eligible for a prorated once the session has started.
- Enrichment Pass: Must provide two weeks written notice. If payment is already made, we will issue a partial refund. If payment is not made yet, we will adjust your upcoming payment based on when the two weeks notice is given.

## YMCA LED ENRICHMENT CLASSES

Class Name	Description
3D Art	Make cool 3D projects using simple materials.
Activities for a Rainy Day	Playing, creating games and exciting crafts. Each week will be a new activity to enjoy indoors when the weather is grey.
All Sorts of Sports	Want to learn more about the wildlife that lives in our own state? This course will help you explore Washington's wilderness by learning about animals and plants that are right outside our homes. Each kid will create a handmade book filled with Washington wildlife activities and crafts.
Animal Adventures	Learn cool and interesting facts about animals while making new art projects!
Art 101	Calling all artists! This course will explore different drawing techniques and tools/materials used for art.
Ballerific	Students will develop their inner story teller through group games, imaginative thinking, reading, storytelling, and creative writing.
Beady Buddies	Use beads to create fun creatures each week!
Blend It	Blend away as we make a new food creation each week using a blender!
Brainy Builders	Use different materials to build new challenges each week.
Card Games	Learn new card games to challenge your ends and family each week.
Cartoon College	Do you like to draw? This is your chance to learn the basics about drawing cartoons. We will create everything from animals to characters in your quest to master the art of cartooning.
Chess Club	This class will teach students not only how to play chess but we'll learn how to use different patterns and skills to check mate!
Dice Games	Learn new games to play with a basic set of dice.
Dodgeball	Enjoy a classic elementary school game while learning new variations to play with ends!
Dreamwork, Teamwork	Students will learn the value of teamwork by playing a completing a variety of games and activities.
Gaga Ball	Join Y staff as you learn and play the fun game of GAGA, while enhancing teamwork, sportsmanship skills and hand-eye coordination
Group Games	Learn some fun group games that don't require any equipment
Ice Breakers	Learn new games to play with a basic set of dice.
Kinderfun Bunch	Introduce K-2 to fun arts and crafts, educational games, and more!
Leadership	Step up and learn to lead in our Leadership class. Each week students will learn what it takes to be a leader through a variety of group activities.
Learning Lab	Need a quiet place to get your weekly homework done? Want to explore new STEAM concepts? Then this class is for you!
Magic 101	Come learn creative and new magic tricks to take home and show off to ends and family.
Minute to Win It	Are you super competitive? Do you enjoy mini challenges? Test your meddle in this class to compete with your peers!
Pacific Northwest Art	#N/A
Paper Folding Fun	Animals, flowers, hats, and boats oh my! There?s so much that can be done by using some basic paper folding techniques! Each week we will learn about and create two different origami projects that you will get to take home!
Slime Time	Explore different states of matter as you make messy projects each week.
Tag It Run It	Students will learn different tag games and learn different skills and techniques.
Tasty Treats	Bake tasty treats to take home and share with your family and ends!!
Think Tank	Expand your brain and challenge yourself each week by solving riddles, Sudoku, mazes, puzzles, cross-words, hidden pictures and much more as well as a time for them to do their homework.
