## Your Child Benefits

Alcott PTSA coordinates and facilitates a wide variety of programs

and activities in learning, art and science. We celebrate diversity and talent, coordinate after-school programs, enhance physical education equipment and replace outdated technology. We provide staff and curriculum support and fund music, library and math resources.

## Make a Difference

Our mission is to create the kind of school community where teachers, administrators and

our children can do their best work. We provide support and resources for teachers and help create learning opportunities for children in and out of the classroom.

## There is Lot to Be Done

Often schools are asked to do more with less. Our school continues to grow as our community also

grows and our help is needed now more than ever to help fill these gaps.

## Have Fun

We like to host lots of fun family events like the Back to School Bash, International Culture Night and

Student Expo, the Egg Drop and End of Year Extravaganza.

## Connect with the Alcott community

We all have a common bond - we care about creating the best

possible educational experience for our children. We are neighbors and peers who share many of the same experiences in and out of school. And many friendships have developed as a result of these connections.

## Get Involved

Our goal is to get more parents connected to the school. You can make a difference

with opportunities including classroom support, event help, art docents, board members, WATCH D.O.G.S and more!
